ILLINOIS COLLEGE OF OPTOMETRY  
CHICAGO, IL

# INSIGHTS INTO...

# — CHICAGO, . . . —

Chicago, the windy city, offers a myriad of experiences and adventures. It has the colorful lakefront skyline, world-famous museums, theaters, outstanding educational opportunities, and varied entertainment.

When we leave here, we'll remember Chicago best for the excitement of the fast-paced traffic, the refined atmosphere of establishments like Streeters, the thrill of supporting Chicago's winning teams, and the security of knowing that one of "Chicago's finest" is always close by.

All this and much more has added a new dimension to our lives; one which truly makes Chicago our kind of town.

# THE SOUTHSIDE, . . .

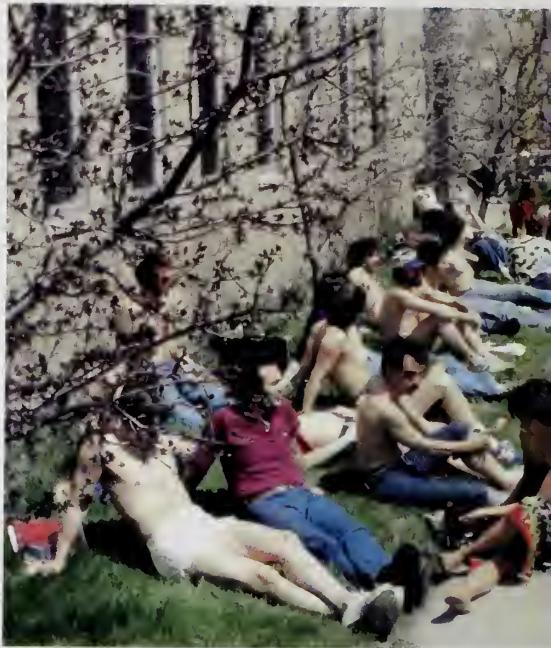

The Southside, it isn't pretty, it isn't chic, it isn't glamourous, it isn't even safe, but it's got pizza on wheels.

Those of us who have served our time here, can't help but speak of it with grudgeful respect. You can have the Northside with its fancy bars, expensive food, and two parking spaces; but, who else can brag about the prices in Chinatown, the service at Bill & Betty's, or a hometown boy like BAD BAD LEROY BROWN.

# — ICO AND STUDENTS —

ICO is more than just a building and a parking lot. It can be a walk along the lake, catching rays, having a picnic, a liquid transfusion, or just plain sitting with your friends.

After being admitted to ICO it only takes a short while before you find yourself rushing to the mailboxes looking for that letter from home. Once school gets going it doesn't take long to decide which lecture is worth waking up for. Then, when you get to clinic, new questions arise such as: "Why is my patient a half hour late?" or "Does V.T. really work?" All of this describes a student's life here at ICO.

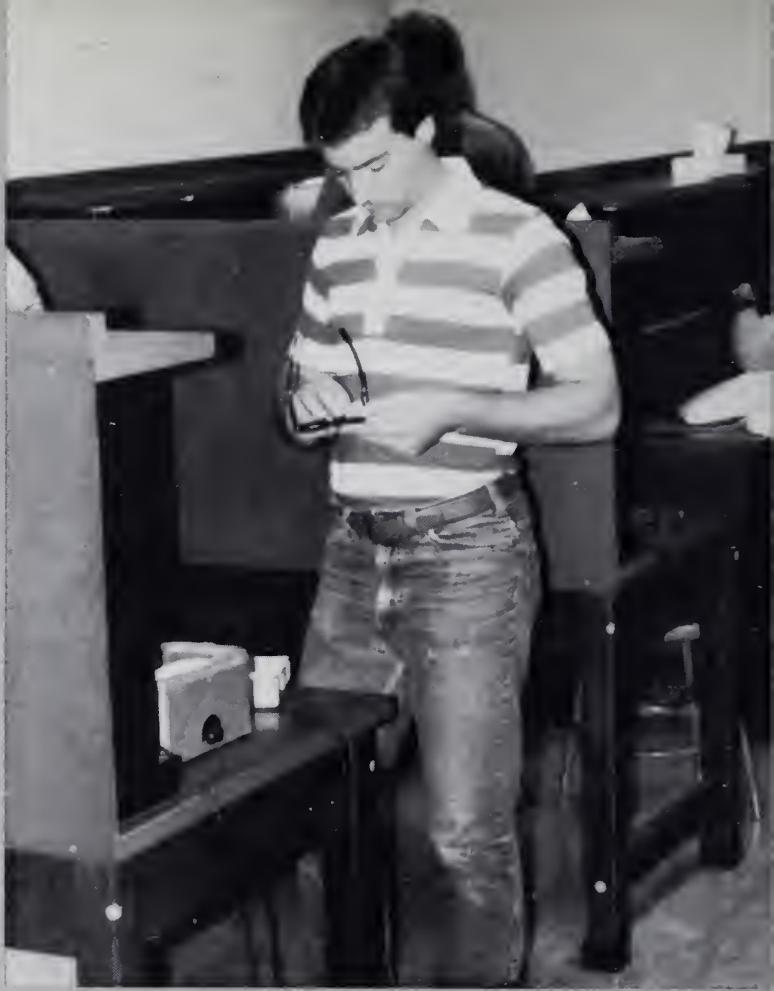

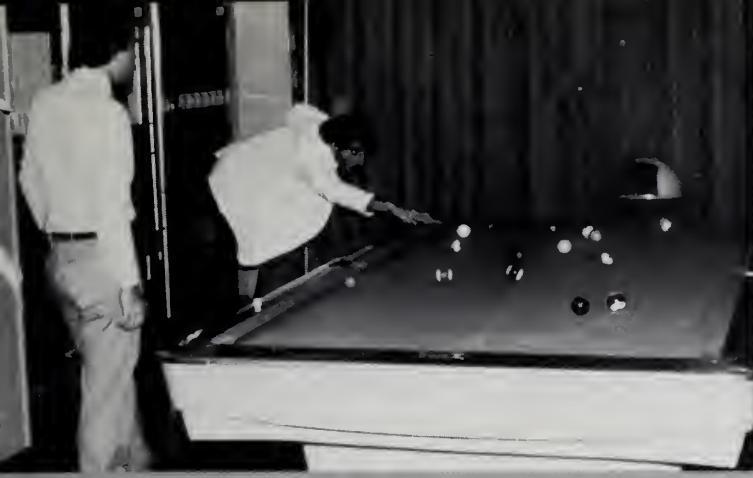

Our new "dress code" brought about some strange and peculiar clinic attire.

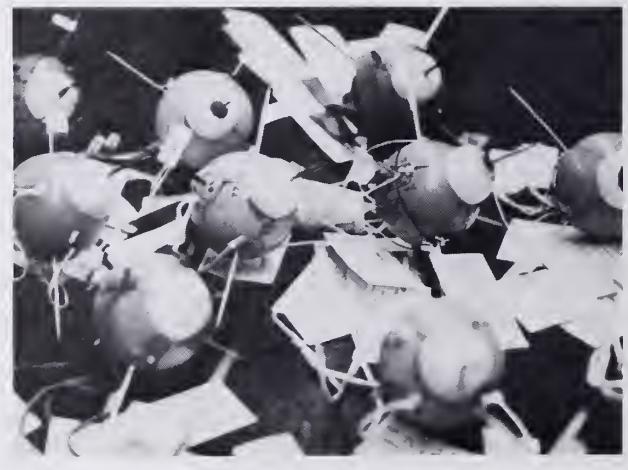

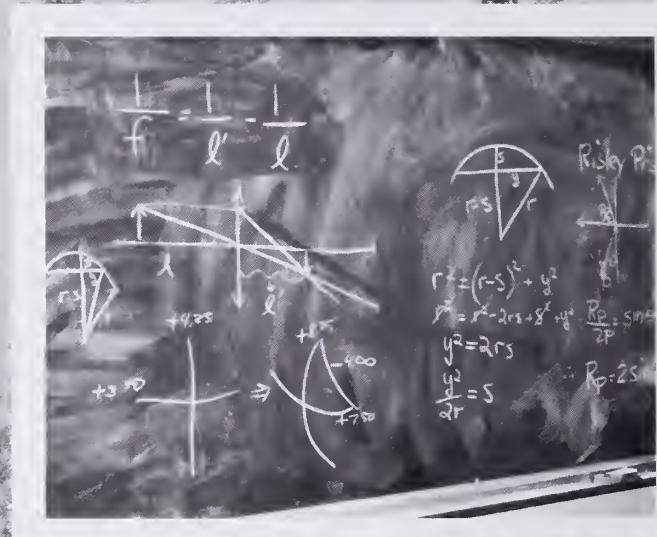

ALFRED A. ROSENBLOOM, JR., O.D., D.O.S.

# DEDICATION

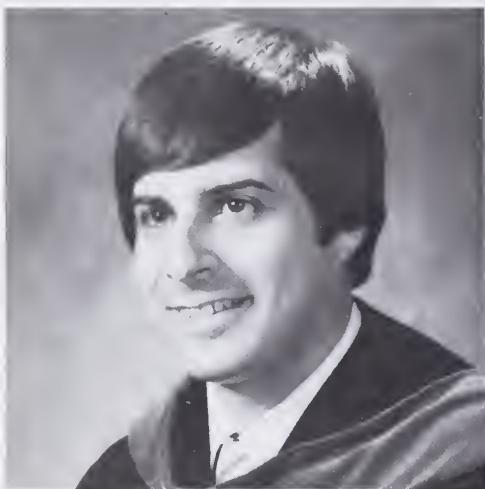

Dr. Rosenbloom has faithfully served the ICO community since 1948. His desire and willingness to help the advancement of optometric education over the years has been of unparalleled magnitude in the history of ICO. During his tenure at the college, he has risen from a role of instructor to President of the college. In hope that his mark on the college and its graduates, will never be forgotten, especially his last ten years of distinguished service as President; we, the INSIGHTS '82 Staff, would like to dedicate our first edition, to Dr. Alfred A. Rosenbloom.

Lisa Braun  
Public Relations  
Coordinator

Barbara Buglio, Sec of Public Affairs; Luvenin James, Sec. of Alumni;  
Betsy Harper, Supervisor of Alumni

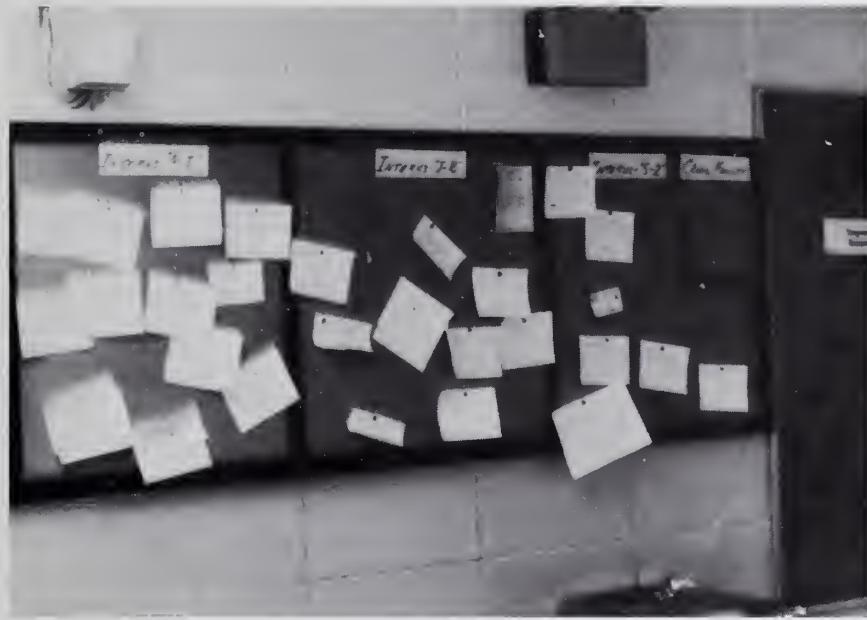

The alumni association, continuing education, the placement service, and public relations all are housed in the office of public affairs, which acts as an umbrella over various activities serving the college, students, alumni, and the public.

In addition to sponsoring the annual Fall and Spring cider and doughnuts receptions, the alumni association subsidizes student activities such as The FOCUS, SVOSH, Intramural activities, and the American Optometric Student Association. It also provides financial assistance for travel to students participating in the ICO externship program.

The office produces most of the college's publications, including clinic and continuing education brochures, and the alumni newsletter, IMAGE.

# CLUBS AND ORGANIZ.

# STUDENT ASSOCIATION

The smooth and efficient running of one of the largest optometry schools in the world is not an easy task. One organization that receives little accolade, but is, however, greatly responsible for attempting to instill some efficiency into the ICO bureaucracy is the Student Association. It serves a variety of functions as requested by the ICO administration, while also attempting to meet the far ranging academic and extracurricular needs of the student community.

The Student Association is a ubiquitous organization that most students take for granted and few realize the multitude of functions and services it provides. Enjoyed by most students are the spring and fall picnics, the winter dance, the equipment fair, and the school publications, the FOCUS and the INSIGHTS.

The AOSA benefits to students are also numerous and include: board reviews, practice management guides, Optometric Monthly subscriptions, the AOSA/AOA placement service, insurance programs, and political representation through the AOSA-PAC. Women in Optometry was organized and became an active group at ICO. Speakers from the AOA office were sponsored as well as practice management lectures presented by the Tucker Assoc. Intramurals, with financial help from the Alumni Association, expanded the offered activities and sports. A convention fund helped to defray transportation costs of students to the various national and regional conventions. Vision Screenings in conjunction with Save Your Vision Week received the support of the IOA. Academically, the two student members on the Academic Committee represented student views and concerns to the administration. Class representatives worked throughout the year to keep the information flowing between the students and the faculty and administration. And, of course, ICO would probably cease to exist without the Student Notetaking Service.

The 29 members of the Student Association include 10 directorships, the class representatives, and the Academic Committee representatives. Guidance and direction are given by the President, Executive Vice-Pres., the Secretary/Treasurer, and the Immediate Past Pres. Dean Petty, as Dean of Students, advises the SA throughout the year and keeps in touch with the administration.

The academic year of '81-82 will be remembered as a year of transition, with resulting confusion, as the new administrative structure was instituted. New specific channels had to be followed in attempting to resolve the various student concerns and problems. All things considered, the Student Association aid their utmost in promoting the students concerns, while hopefully improving the atmosphere and attitude of the ICO community.

## STUDENT AUXILIARY

The Illinois College of Optometry Student Auxiliary acts as a social and educational organization for the spouses of ICO students. Some of their goals are to help educate the public about the role of the optometric profession in vision care, and to prepare themselves for their futures as spouses of optometrists.

There are a number of activities which the Auxiliary sponsors on a recurring basis. These include a cocktail party for married students in the beginning of the year at the president's home, a vision screening at Nativity of our Lord School in Bridgeport, a Christmas dance, and a senior luncheon to honor Auxiliary members who are spouses of graduating seniors. This year the Auxiliary also sponsored a pizza and beer party to welcome new members, an aerobic dancing class, and a Christmas cookie and ornament exchange. To fund these events, the Auxiliary has an annual t-shirt sale and this year they also sold mugs with eye charts imprinted on them.

Student Auxiliary membership is open to spouses and fiancés of students attending ICO. Members are actively involved in planning activities for the students at ICO and promoting the importance of Optometric care in order to obtain good vision. Their efforts are greatly appreciated by everyone at ICO.

The 81-82 Student Auxiliary includes: C. Wright, Pres.; K. Kittl, 1st Vice-Pres.; C. Joel, 2nd Vice-Pres.; B. Wheatall, Secretary; D. Schulte, Treasurer; M. Flandro and T. Sampson, Historians; W. Burley and D. Richter, Fund Raising Chairwomen; M. Bosco; B. Boyer; S. Connon; J. Halvorson; D. Paulson.

# CONTACT LENS SOCIETY

In 1981-82, the Contact Lens Society enjoyed its largest and most productive year at ICO. Membership included a large number of the 3rd and 4th year students, who were able to enjoy a wide variety of evening and noon hour educational presentations. Through the generosity of the contact lens manufacturing and supplying companies as well as various laboratories and solution distributors, an evening presentation was scheduled for each school week not occupied by exams or vacation. A generous supply of refreshments followed the educational seminars, consisting of pizza, beer, and pop. The sponsoring companies brought in numerous O.D.'s and experts in the field to speak about contact lens products and practice management. Each meeting left those attending with some current knowledge, a good time, and a full belly. Our thanks to all who attended and assisted in making this our most eventful year.

Officers: S. LaLiberte, Pres.; D. Gildner, VP; R. Knox, Sec-Treas.; F. D'Apolito, Program Director.

# S.V.O.S.H.

S.V.O.S.H. (Student Volunteer Optometric Services to Humanity) has been a student organization at the Illinois College of Optometry for six years. The activities of the club revolve around domestic and foreign visual screening projects. In 1981-1982 domestic trips were taken to Wisconsin and Minnesota Indian Reservations, while foreign trips found interns venturing to Bogota, Columbia; Merida, Mexico; Dominican Republic; Thailand; and Nicaragua. All members spend many hours sorting, cleaning, straightening and neutralizing glasses to prepare them for the trips taken by third and fourth year interns. Everyone who is able to go on a SVOSH trip agrees that clinically as well as personally the trips are one of the best experiences of their lives.

## '81-'82 SVOSH MEMBERS INCOGNITO

# PHI THETA UPSILON

Phi Theta Upsilon, a national optometric fraternity, has traditionally been a friendly mix of all types of students from every class. There are no specific requirements for membership other than a desire to make friends and an awareness that there is more to optometry than checking, chaining, and plus lenses.

Throughout the year, PTU has offered a variety of activities from a canoe trip, frisbee-golf, ice skating, cross-country skiing and tobogganing, to sampling Chicago's nightlife at Zanies or Second City. There have been the attempts at sophistication, such as "A Christmas Carol" at the Goodman Theater, or even Hayden's "Messiah" sung and performed by the Apollo Chorus and the Chicago symphony. But, of course, there have been plenty of other times when sophistication has absolutely no part in the plans of PTU, as in the liquidation party and the wine and cheese party.

PTU is starting a new tradition this year by sponsoring a hospitality room at the North Central Conference in Minnesota, and another at the Kentucky Derby. Finally, each year the members of PTU give an award to the non-faculty staff member who has worked to help the students the most at ICO. This award has traditionally been presented at the Spring Honors Assembly.

PTU Officers: A. Larson, Sec.; M. Lamb, Treas.; M. Hassinger, Vice-Pres.; and M. Gindorf, Pres.

PTU Members Include: 4th Year: L. Baitch, F. Banser, J. Blaschke, A. Bliss, J. Bosco, D. Conness, G. Edwards, P. Geller, M. Gindorf, M. Hassinger, R. Jablonski, J. Jarett, M. Klugman, S. LaLiberte, M. Lamb, A. Larson, T. Lutz, C. Maschauer, T. McAuliffe, P. Ong, E. Paulsen, R. Salkin, P. Sampson, J. Schultz, S. Sloan, H. Staniek, and B. Weaver. 3rd Year: B. Gaynes. 2nd Year: P. Andolina, D. Brtva, M. Carolan, M. Edson, M. Haines, J. Hersch, C. Hersh, C. Johnson, J. Jordahl, L. Lebovitz, J. Sementilli, J. Schornack, D. Stephey, J. Wagner, J. Wilson, and A. Winkelstein. 1st Year: D. Hendley.

# OMEGA DELTA

81-82 Officers: M. Burley, Pres.; J. DiGiorgio, Vice-Pres.; T Bobst, Social Director; V. Giuseffi, Sargent-at-Arms.

1981-82 Omega Delta members include: M. Albanese, W. Atkinson, M. Bielenberg, T. Bobst, M. Burley, E. Carson, G. Christenson, B. Deckert, J. DiGiorgio, V. Facchiano, G. Gemoules, V. Giuseffi, B. Grazian, C. Carroll-Heiges, F. Hettiger, C. Howe, P. Jamison, R. Juckett, K. Kirschner, R. Knox, K. Leadingham, B. Leffler, D. Lilly, B. Onofrey, J. Peters, R. Roebuck, J. Saul, C. Schulte, L. Skorin, L. Smith, C. Suor, B. Teruya, P. Wagner, J. Young, and D. Zimmerman.

Omega Delta is the oldest National Optometric Fraternity in the United States. The original Alpha Chapter started at I.C.O. and has been going strong ever since.

The Fraternity is primarily a social organization. Each year Omega Delta plans a series of events in and around the Chicago area to help the members escape the monotony of classes. Some of the events this year included a night at Second City, Horseback riding, a flipper project, and various parties.

Membership is open to all I.C.O. students in good standing.

# TOMB AND KEY FRATERNITY

Tomb and Key is an honor fraternity unique to ICO, celebrating its 50th year with the 1982 class. Members are accepted on the basis of academic achievement and leadership. Tomb and Key's main school function is to provide a tutoring service for any students requiring scholastic assistance. Each spring a formal banquet is held to induct new members into the organization.

Objectives of Tomb and Key are promotion of learning in the field of Optometry and recognition of professional conduct. The fraternity's unusual name stems from these objectives: the Tomb represents the death of commercial practice and the Key symbolizes the open doors of Professional Optometry. Tomb and Key alumni include such noteworthy people as Carl Shepherd, Irvin Borish, and Jack Copeland.

The 81-82 officers include: Pat Shroba, Pres.; Paul Schroeder, Vice-Pres.; Mark Welter, Secr./Treas.; Bruce Onofrey, Sargent-at-Arms; and Peggy Stein, Keeper of the Archives.

The 81-82 Tomb and Key members include: D. Batchelder, J. Beauchamp, G. Bleeker, R. Castaldo, B. Daugherty, R. Fong, D. Fox, D. Gildner, M. Hodovanic, L. Hookway, R. Jewart, C. Kan, M. Klugman, D. Lilly, T. Lim, G. Londos, K. Maynard, S. Nebel, B. Onofrey, B. Poole, R. Rios, D. Rodrique, P. Schroeder, J. Schultz, P. Shroba, S. Sloan, P. Stein, M. Stern, C. Suor, R. Tjaden, P. Wagner, L. Wassman, M. Welter, S. Wigdor, and D. Wilhelmus.

## FOCUS

The FOCUS is the Illinois College of Optometry's school newspaper. It keeps the students and faculty aware of current events that have been occurring at school and around the country in the optometric field. The FOCUS contains a variety of articles so there is something for everyone. It contains such sections as: Editorials and Opinions, Student Association News, Letters, and even Dear Iris. All students are encouraged to contribute their talents. The FOCUS is a publication of the Student Association of the Illinois College of Optometry.

No one hears, sees, or speaks about bad articles written in the FOCUS by staff members. Front: W. Leffler, Co-editors M. Komblatt, and L. Baitch. Back: R. Trudell, L. Wassman, C. Carroll-Heigis, and D. Schanes.

# NOTETAKING SERVICE

Student Notetaking Service: V. Facchiano, Director; J. Schultz, Asst. Director; Class Coordinators: C. Alland, 1st; P. Andolina, 2nd; K. Andrus, 3rd; G. Londos, 4th. Printers: R. Brand, T. Bauer, D. Boyer, S. Brownmiller, G. Kuchentucher, J. Tobias, R. Vandenburg.

The Student Notetaking Service is definitely an organization of the students, by the students and for the students. This organization, which is run entirely by I.C.O. students, makes sure that their fellow classmates have a permanent record of all the lectures given in each class. This is extremely helpful when studying for national or state boards. It takes a lot of hard working notetakers, typists, printers, and coordinators to get these notes out. The service done by the Students Notetaking Service is greatly appreciated by all students.

## C.O.V.D. AND O.E.P.

COVD and OEP Members Include: T. Arbet, L. Baitch, F. Banser, D. Bartels, J. Bartlett, D. Batchelder, J. Becker, G. Bekritsky, B. Berliner, D. Birch, A. Bliss, M. Brodsky, S. Brownmiller, D. Conness, S. Cotter, B. Daugherty, R. Davidson, G. Edwards, B. Egan, E. Flynn, R. Fong, C. Gaterbaum, D. Gildner, M. Gindorf, M. Gutwien, M. Hassinger, F. Hettiger, L. Hookway, J. Hirakawa, L. Irene, R. Jablonski, J. Jarrett, S. Katims, P. Kehoe, M. Kline, R. Knox, M. Kornblatt, Y. Lai, M. Lamb, D. Maduzia, T. McAuliffe, B. McCamy, S. McMurry, M. Meernik, P. Micca, T. Mirabile, J. Montana, D. Meltzer, T. Motisi, P. Ong, E. Paulsen, R. Rios, R. Robertson, R. Roebuck, J. Rubsam, D. Schanes, E. Schariffe, C. Schulte, J. Schermeyer, S. Sloan, L. Sokol, H. Stanick, M. Stern, L. Smith, R. Taub, B. Teruya, R. Tjaden, J. Tom, R. Trevino, R. Trudell, P. Wagner, B. Waiss, L. Wassman, R. Wheatall. Officers: D. Conness, Pres.; T. Mirabile, V.P.; M. Gindorf, Sec./Treas.; H. Staniek, OEP liaison.

The purpose of COVD and ICO is to promote the philosophy and practice of functional optometry among the students. Students may visit functionally oriented O.D.'s at their office, through the "in-office" study groups, to observe different modes of testing, case analysis, and therapy techniques. To supplement the classroom background, bimonthly lectures are given on topics such as OEP case analysis, practice management considerations for a VT specialty, treatment methods and therapy techniques for anomalies most commonly seen in private practice.

# N.O.S.A.

National Optometric Student Association is a student organization affiliated with the National Optometric Association. The NOSA was established in 1968 for the purpose of increasing minority man-power in the field of optometry.

The NOSA has a chapter at most schools of optometry throughout the country and has been in existence at Illinois College of Optometry since 1977. The NOSA is involved in a variety of activities which enhance the field of optometry. Such activities include vision screenings in area schools and senior citizen facilities, hosting an annual minority optometry career day, and a newly formed plan in which students may visit ICO and spend a day with NOSA members in class, labs, or clinic.

NOSA Members Include: M. Bradshaw-Johnson, Pres. Treas.; V. Brown; A. Gordon, Hist.; M. Richardson; R. Trevino Vice-Pres.; L. Wassman; Dr. C. Ellis and Dr. J. McCray, Faculty Advisors.

# BETA SIGMA KAPPA

Beta Sigma Kappa is an International Honorary Fraternity whose membership is based on academic excellence. BSK sponsors vision screening projects and promotes healthy functional vision care and community awareness through our organizational activities. The 1981-82 officers of Beta Sigma Kappa are: Peggy Stein, Pres.; Chris Suor, Vice-Pres.; Gregg Bleeker, Treas.; and Rodney Fong, Sec.

BSK Members Include: 4th Year: S. LaLiberte, M. Meernik, P. Shroba, B. Daugherty, P. Wagner, S. Sloan, D. Rodrigue, S. Wigdor, E. Carson, D. Gildner, R. Rios, D. Wilhelmus, D. Vandermeer, R. Wheatall, J. Jarett, D. Kruse, M. Stern, D. Lilly, H. Staniek, C. Schulte, R. Moore, J. Blaschke, P. Schroeder, T. Labelczyk, J. Pirman, and M. Welter. 3rd Year: K. Blair, G. Gemoules, V. Giuseffi, K. Maynard, D. Batchelder, S. Brownmiller, and W. Kistner. 2nd Year: J. Plass, C. Perreault, P. Andolina, G. Christiansen, A. Winkelstein, T. Banton, and R. Davison.

CSIOA Officers: B. Grazian, Pres.; D. Portman, President-Elect; C. Kan, Vice-Pres. Org.; L. Whitmer, Vice-Pres. Educ.; J. DiGiorgio, Vice-Pres. Public Info.; J. Saul, Vice-Pres. Civic and Legal Affairs; T. Dahlby, Vice-Pres. Public Health; P. Ong, Sec.; V. Facchiano, Treasurer.

# C.S.I.O.A.

The Collegiate Society of Illinois Optometric Association is one of the twenty-three state societies that makes up the Illinois Optometric Association. The club is involved in both state and school activities.

Several CSIOA members are active in the lobbying effort to enact a diagnostic-pharmaceutical agent law in Illinois and many members attended the Illinois Optometric Association's Convention held in Decatur, IL this year.

Some of the various school and social activities the club has been involved with include inviting various speakers to give talks to students, taking a ski trip to Wisconsin, and sponsoring a party. CSIOA encourages all residents of Illinois as well as any other state to join the club.

CSIOA Members: 4th Year: M. Albanese, W. Atkenson, F. Banser, J. DiGiorgio, J. Bickoff, B. Daugherty, V. Facchiano, R. Grazian, F. Hettiger, R. Jewart, C. Kan, R. Knox, M. Lamb, G. Londos, P. Marnul, R. Moore, M. Meernik, L. Irene, P. Ong, M. Parod, R. Roebuck, L. Skorin, L. Smith, H. Staniak, M. Stern, L. Wassmann, R. Watson, M. Hassinger, M. Bielenberg, J. Saul, S. Sloan, D. Helsing, P. Shroba. 3rd Year: D. Batchelder, B. Benz, D. Birch, C. Carroll-Heiges, T. Dahlby, B. Gaynes, D. Haitz, M. Johnson, W. Kistner, M. Kline, M. Kysela, J. Lietz, C. Ovitsky, D. Portman, P. Stamper, L. Congdon, S. Forzley, L. Koepnick, K. Kowalske, V. Kaskineu, M. Komasinski, M. Michand, K. Mihaly, J. Minardi, J. Quivey, J. Subak, K. Stauff, D. Tanouye, J. Takahasi, D. Welch, T. Blom, S. Nagle, Dr. D. Siemson, Advisor.

Dr. Sorkin gives a talk to ICO students on Hard CL's. He is just one of the numerous speakers sponsored by CSIOA.

# WISCONSIN CLUB

The Wisconsin Optometric Student Association is the largest state association at ICO. The club tends to be more social than academic, but the activities are both fun and educational.

Some of the events WOSA sponsors are a beer and brat fry, ski trips, a fall, spring and Christmas party, vision screenings, and speakers on various topics.

WOSA is affiliated with the Wisconsin Optometric Association. This keeps the members aware of the optometric events happening in Wisconsin and gives them a chance to get involved in state activities.

Members of the club come from all areas of the United States but they all share common interests. These include gaining experience through club activities, learning more about the state of Wisconsin optometrically, and most of all just taking time to have fun.

WOSA Officers: President R. Trudell, Vice President E. Paulson, Secretary P. Moy, Treasurer J. Zieg.

WOSA Members: 4th Year: A. Bliss, D. Gildner, M. Hassinger, M. Klugman, S. LaLiberte, M. Lamb, A. Larson, T. McAulliffe, M. Meernik, E. Paulson, M. Reimer, D. Shayness, J. Schultz, R. Taub, R. Moy, J. Plass, S. Roberts, L. Roy, L. Sable, E. Scharff, B. Sulewski, J. Teraji, A. Winkelstein, J. Zieg. 1st Year: C. Alland, K. Congdon, B. Lahmayer, E. Melchert, G. Nickel, R. Obrien, R. Salvat, D. Springer.

# IOWA CLUB

Iowa Club Officers: D. Gildner, Pres.; P. Henriksen, Vice-Pres.; D. Kruse, Sec.; S. Brownmiller, Treasurer.

The Iowa Club is composed of both those from and those with an interest in practicing in the state of Iowa. The purpose is to keep the students informed on what is happening with the Iowa Optometric Association and be of any assistance to that organization.

Several parties are planned each year. The biggest event planned for the year, however, is the mini student convention which is held in Des Moines at the same time the state convention meets. The half day meeting allows the student to hear from recent graduates and leaders of the IOA.

Iowa Club Members: B. Bardwell, T. Hickman, S. Maxwell, B. Monson, S. Brownmiller, J. Koch, K. Korneisel, J. Young, D. Duff, D. Gildner, P. Henriksen, C. Howe, M. Klugman, D. Kruse, S. LaLiberte, P. Schroeder, J. Schultz, S. Sloan, R. Vanderberg, M. Welter.

# RESIDENT ASSISTANTS

The Resident Assistants are in charge of making sure that everything runs smoothly in ICO's dormitory, Brady Hall. Their job includes anything from advising and counseling to policing the halls and repairing room fixtures. Since most of the residents of Brady Hall are first year students, the Resident Assistants also play an important role in helping them adjust to life at ICO. With the Resident Assistants on guard you always know there is someone in the dormitory if you need them. This is nice to know, especially when your roommate locks you out.

Brady Hall Resident Assistants: S. Wigdor, Sr. Resident Ass't.; J. Montana, J. Partain, J. Gennaro.

## GOLD KEY

The ICO Chapter of Gold Key began in 1975. The purpose of this honorary society is to recognize upperclassmen who have demonstrated outstanding professional and ethical attitudes through leadership in their class, college, and profession. Five percent of the third year class and ten percent of the fourth year class may hold membership. All of these candidates are chosen for this lifetime membership by nominations and secret ballot.

Major projects include orientation of first year students, preparation of a booklet of guidelines to affiliated clinics, for third year students, etc.

Gold Key Members Include: C. Maschauer, Pres.; F. Hettiger, Vice-Pres.; D. Fox, Treas.; C. Howe, Sec.; P. Stein, L. Wassman, and B. Poole.

The 1982 INSIGHTS Staff includes: P. Andolina, G. Christensen, C. Hersh, T. Bussian, P. Shroba, C. Maschauer, D. Brtva, J. Schornack, W. Leffler, J. Jordahl, J. Sementilli, C. Kolling, M. Bielenberg, C. Johnson, D. Buckley, and M. Haines.

The 1982 INSIGHTS began as a dream of a few students and has finally become a reality. Starting a yearbook at ICO after many years of absence, (the last book on record is 1959) was a tough and challenging job. Although at times it seemed like it would never get done, through the hard work of several dedicated students the job was finally finished. Now that the inaugural volume has been published, I hope everyone likes what we have done with the book and I also hope that everyone who supported the yearbook this year will continue to show their support in the years to come.

# ADVERTISEMENTS

CONGRATULATIONS AND BEST  
WISHES  
to the  
CLASS OF 1982  
from the  
ALUMNI ASSOCIATION

Alumni Board Members Include: Tom Connon; Joyce Miller, O.D.; Betsy Harper; Howard I. Woolf, O.D.; Ralph G. Hough; Brian Caden, O.D.; Wendell D. Waldie, O.D.; Ted Depukat, O.D.; Janice Scharre, O.D.; James B. Hasler, O.D.; Lavenia James; Louis B. Katz, O.D.; Kenneth P. Martin, O.D.; Al N. Eschen, O.D.; and Ward R. Ransdell, O.D.

The INSIGHTS staff is very grateful to the Alumni Association for its financial and technical support. We hope that you will help support the Association upon graduation, so that it too will be able to continue to help students in the future. Remember, the Alumni also gave money to the FOCUS, SVOSH, "Donut and Cider" days, Senior Banquet, Alumni Achievement Awards, Intramural Sports, transportation costs for externships, a stereo in the student lounge and much, much more. Also don't forget their list of practice opportunities (placement service) available.

Joining the Century Club costs only \$25 for the first 18 months after graduation. This includes a free insurance policy, ability to use the ICO library services, use of the "Hot Line" and "Big Brother" practice tips information, the opportunity to selectively decide on how you want your money spent, and other services. Please continue to help this worthwhile organization. Contact your regional representative or write to the Alumni Association at school, . . . now!

# THANKS, BEN FRANKLIN.

Dear Customer:

If Ben Franklin were alive today, he would probably tell you that Walman Optical is the best value for your dollars spent. Why? Well Ben had a way of putting things in perspective when he used his simple balance sheet to illustrate value. It has since been used by millions of people the world over as a sales tool, and a good one at that.

We have put the Ben Franklin balance sheet to work for us to help point out the Walman story of quality and service for money spent. You might want to compare what Walman offers to what you're now getting from your other suppliers.

# AUTOGRAPHS

Since this is our last page of our first edition of INSIGHTS, the editor(s) are supposed to write something with feeling and possibly even a little philosophy. Well since I've never had a philosophy class, I guess I'll just have to fake my way through this, so here goes:

Optometry is the word used to describe our chosen profession and a word which has come to mean different things to different people. During the past year we have all encountered our ups and downs, but in the long run, we have not lost sight of our general goal. The goal that I am referring to of course is to become a topnotch optometrist. Of course, along our way to reach this goal we have all encountered many obstacles which we have hurdled with no problem. But, are all our hurdles going to be as easy to jump in the future this is the question of many and one which should be thought about.

Well, now that I have bored your socks off, I would like to thank everyone involved with making the 1982 INSIGHTS a possibility. It's taken a lot of hard work and many long hours but everyone involved would agree it was well worth the effort. I would also like to thank everyone who bought our initial edition and I would also like to wish everyone, especially the graduating 4th years, the best of luck in the future.

See ya next year,

Dennis M. Brtva, Editor/Advisor

1981, was a year of many attempts. There was the attempt to have the world's first reusable spaceship (the Space Shuttle), attempts were made on the lives of a President and a Pope, an attempt was made to balance the U.S. budget and there also was an attempt to have a yearbook at ICO. Although the results of the others are known, it may well be years before it is known if this yearbook was successful.

What started out as a dream, soon became a nightmare for the staff of the INSIGHTS. Having to get pictures, information, and laying out the student, staff, and faculty sections, became an ordeal that no one anticipated. But now that it is done, I feel a certain amount of pride that is shared with the rest of the staff.

Of course, this yearbook couldn't have been done without the dedication of the INSIGHTS staff which included: Janice J., Carol K., Cathy H., Patty A., Dave B., Bill L., Carol J., Julie S., and Carla Brtva. I would also like to give special thanks to those seniors who helped; Pat Shroba, Mary Ann Bielenberg & Co., and Ruth Salkin. Last but certainly not least, I couldn't have my dream come true without the tremendous help and support of Gar Christensen and Dennis Brtva.

My last request is that as you look through this yearbook, you too will become motivated to help on future editions. That way, your dreams may also become a reality.

Thanks for the fun of meeting deadlines, making new friends, and learning a lot about myself.
